The application form for admission is published on the school's website and will be made available in hardcopy on request to any person who requests it.

2. Characteristic spirit and general objectives of the school

St. Luke's N.S. is a Catholic co-educational primary school with a Catholic ethos under the patronage of the Archbishop of Dublin.

"Catholic Ethos" in the context of a Catholic primary school means the ethos and characteristic spirit of the Roman Catholic Church, which aims at promoting:

- a) the full and harmonious development of all aspects of the person of the pupil, including the intellectual, physical, cultural, moral and spiritual aspects; and
- b) a living relationship with God and with other people; and
- c) a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus; and
- d) the formation of the pupils in the Catholic faith,

and which school provides religious education for the pupils in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of St. Luke's N.S. shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

The aim of St. Luke's National School shall be to promote the intellectual, moral, social and physical well being of the children, through the development of positive self-esteem, good communication skills and personal talents.

Catholic values form the basis of the moral teaching and are the guiding principles underpinning all class activities and interactions between pupils and teachers.

The school aims to be a positive force in the maturing of the child into a self reliant, caring and understanding person, capable of taking responsibility and fostering and maintaining stable relationships.

At a practical level it is our purpose to make each child articulate, literate and numerate so that as adults they may function and contribute as a useful member of our society.

6. Oversubscription (this section must be completed by all schools including schools that do not anticipate being oversubscribed)

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice:

Admission of all catholic children who have reached the age of four on or before 30th June of entry year and who live in Mulhuddart/Tyrrelstown parish.

In the event that the number of applicants seeking enrolment exceeds the number of places available, the following decision making process will apply: places will be allocated in sequential order according to numbers 1 to 4 below;

If the number of applicants within any group exceeds the number of places available, places will be allocated according to chronological age, i.e. older children in each group will have precedence over younger children.

- 1. Siblings and stepsiblings of children already enrolled in the school and children resident in the parish (the eldest child will have priority in this ranking)**
